PATENTED PORTION CONTROL TECHNOLOGY

Precision

Our patented 6 Wing Silicon Wheel delivers exact portions every time, without crushing your product.

Cost-Effective

Save money by reducing waste.

Food Safe

Silicone is also an approved FDA material, versus plastic, which is not.

Efficient

Serve more people, faster.

A Cleaner Option

Works with an attached funnel that dispenses cereal straight into the bowl, instead of on the counter or onto the floor.

We use the highest quality materials available to craft products that are built to last. All of our products are designed for high traffic use.
